MEMORANDUM

TO: Metropolitan Planning Organization Committees

FROM: Kip Harrington, Planner III

DATE: August 7, 2018

RE: **18TP025 – Rapid City Area Metropolitan Planning Organization Performance Measures Resolution #2018-02**

Performance based transportation planning became a requirement with the adoption of the Moving Ahead for Progress in the 21st Century Act (MAP-21) highway funding bill in 2012, and the requirement was carried over into the current bill, the Fixing America's Surface Transportation Act (FAST Act), approved in 2015. In response to the requirement, the South Dakota Department of Transportation (SDDOT) has developed a system of performance measures.

The MPO has chosen to support the performance measures established by SDDOT. The attached resolution endorses the SDDOT Pavement, Bridge, and Travel Time Reliability and Freight Movement performance measures.

STAFF RECOMMENDATION: Staff recommends approval of the Rapid City Area Metropolitan Planning Organization Performance Measures Resolution #2018-02.
